Brad & Brittany Pomeroy
September 27, 2014
Photography by: Brittany Pedregon Photography

SPARKS FLY
While serving as wingman and emcee for his best friend, Brad Pomeroy and Brittany Barker hit it off immediately. Sparks flew from the first drink order when Brittany called her question Brad a number of a beer at a liquor bar. Many quips were in store for the couple on July 4, 2013, when they were celebrating the birthday of Brittany's former fiancé, Mountain Lake property.

SWEET MEMORIES
Brittany walking down the aisle with her father was one of those once-in-a-lifetime moments, she says. Her father had recently experienced some health concerns, but he courageously walked Brittany down the aisle looking the epitome of a proud father.

SPECIAL TOUCHES
The couple enjoyed having their entire wedding celebration at one location, so they gave their time to relax and soak with their loved ones. Family friends hit them with their 1940s Rock n' Roll playlist for the weekend, which guests enjoyed sitting and taking pictures with.
